Explanation of Responses:

1. Shares were acquired through the Corporation's 2014 Omnibus Incentive Plan whereby non-employee directors may elect to defer their compensation, including their annual restricted stock award, and/or receive their annual retainer and meeting fees in the form of stock to a later date.
2. This amount reflects shares that were earned in 2018, 2020, 2021, and 2022, but receipt was deferred to June 2, 2025. Share total represents the annual restricted stock award and meeting fees elected to be received in stock in each of those years. The number of shares acquired for the annual restricted stock award is calculated based on the value of the award divided by the closing price for the Issuer's common stock as reported by the New York Stock Exchange on the date the Board initially approved the award. The number of shares acquired for the meeting fees is calculated by taking the amount of the Reporting Person's earned fees and dividing that amount by the closing price of the Issuer's common stock on the date such meeting fees were earned. The number of shares is rounded up to the nearest whole share and included dividend credits earned on outstanding awards.
3. Price is based on the closing market price for the Issuer's securities on the New York Stock Exchange as of June 2, 2025. The date recipient elected to receive his shares.
