Explanation of Responses:

1. Shares were acquired through the Corporation's 2024 Omnibus Incentive Plan whereby non-employee directors may elect to defer their compensation, including their annual restricted stock award, and/or receive their annual retainer and meeting fees in the form of stock to a later date.

2. This amount reflects shares that were earned in 2018, 2019, 2020, and 2021, but receipt was deferred to January 2, 2026. Share total represents a percentage of the annual restricted stock award to be received in stock in each of those years as the Reporting Person elected to receive such stock in various equal annual installments beginning on various dates. The number of shares acquired for the annual restricted stock award is calculated based on the value of the award divided by the closing price for the Issuer's common stock as reported by the New York Stock Exchange on the date the Board initially approved the award. The number of shares is rounded up to the nearest whole share and included dividend credits earned on outstanding awards.

3. Price is based on the closing market price for the Issuer's securities on the New York Stock Exchange as of January 2, 2026. The date recipient elected to receive his shares.
